

CAFE AMELIE EVENTS

ADDITIONAL INFORMATION FOR PRIVATE EVENTS

WHAT'S "INCLUDED"?

four hour event; 100 guest minimum

Exclusive use of the Courtyard & Carriage House

Uniformed New Orleans Police Officer
for time of event

Vendor Access

Generally two hours before & up to one hour following your contract times

Meal for two

A meal for two is "on us" to help you decide your event's menu; we will select for you

Rehearsal

One hour rehearsal between 4-5pm, generally the day before

POLICIES

Photography

Most requests for "First Look" photos can not be accommodated

Live Entertainment

All live entertainment must be approved by Cafe Amelie. Permitting is an additional fee.

Vendors

All vendor material is the responsibility of that vendor and must be removed within one hour of event conclusion

Lost & Found

Any lost items will be held for 7 days following your event; Cafe Amelie is not responsible for any lost items but we'll do our best to help you locate

WHAT'S "NOT INCLUDED"?

Tents

A "rain plan" is a necessary backup for our beautiful courtyard; cost for a full tent is about \$3500 and are decided on a case-by-case basis

Second Line Parades

Coordination & permitting for second line parades are best handled by parade specialists; we have recommendations

Live Entertainment

All live entertainment must be approved by Cafe Amelie; permitting is an additional fee

Rentals

Generally, your chairs & tables, catering equipment and linens are additional; Cafe Amelie chairs & tables are available for a small rental fee

Other Vendors

Photography, Wedding Cake, Bands, not included

DO I NEED AN EVENT PLANNER?

do you need one? danny & the cafe team will handle your actual event and some of the before & after coordination but you may need to hire a planner; let's discuss your details

Yes

if you're planning a full weekend's worth of activities, probably. elaborate decorations & details, definitely.

No

If your event is corporate, a rehearsal dinner, day after brunch or simple party, the Amelie team can probably handle without a planner.
