DETAILS & "FINE PRINT"

details to know about your reservation

there is a \$25 guarantee per guest for all reservations with more than 6 guests

we want you to join us at the cafe, but your request is UNCONFIRMED until we've checked availability and been back in touch with you; this could take up to 48 hours depending on when you contact us

when we're all set, we'll email you a confirmation via open table

your card is not charged now or anytime in advance. it would only be charged the day of your reservation if your confirmed group size changes without giving us a 24-hour courtesy notice

we know coordinating groups isn't easy, but please keep us updated as your group size changes

large groups will be seated in separate tables. we will do our best to have them close but we can't guarantee this.

cafe amelie does NOT offer separate checks for each guest, although each check may be evenly split up with up to 4 individual credit cards
